Automated Trash Checklist

1. The cart lid must be closed. Any trash that does not fit in the trash cart with lid closed must be in an Official Overflow Bag.
2. Make more space in your trash cart by recycling. Learn what can be recycled and how to prepare recycling for collection. See **Residential Recycling and Trash Collection Guide** for information.
3. Recyclable material, construction debris, yard waste, hazardous materials, fluorescent bulbs, white goods, tires, TV's, propane tanks, or similar items are NOT allowed in the trash cart.
4. The cart must be accessible to the collection vehicle arm, with at least 3' clearance to any obstacles such as mailboxes, trees, recycle bins, overflow bags, parked cars, etc. Cart handles must face away from the street.
5. **Bulky items** require a call to **Allied Waste** at 1-800-442-9006 by 5:00 pm no later than the Friday before trash day to schedule pick up.
6. For **CRTs, Appliances, Tires** and large metal items contact **Appliance Recyclers**. Call 1-877-228-2898 or go to www.applrecyl.com
7. Trash and Recycling must be curbside before 7:00 AM.

For questions, call Steve Robertson, Operations Supervisor at 978-436-9178
or
Mary Delahanty, Recycling Coordinator at 978-671-1337
