Page 2 of 2

General Program Guidelines

Rebates are available to residential and commercial Billerica water customers. Applicant must be the owner of the property listed on the application, unless written permission granted by owner.

The rebate offer is on a first come first serve basis and is effective until funding is exhausted or the program is discontinued.

New construction and remodeling projects requiring a building permit do not qualify for rebates. Applicant agrees and understands that Billerica Water Division does not guarantee that the installation of high efficiency or low flow toilet or Energy compliant washers will result in water savings, as site specific water consumption varies.

Billerica Water Division does not warrant, endorse, or assume liability for the quality, performance, or safety of the contractor and/or retailer, or performance of any appliance or fixture. Acceptance of materials used is solely the applicant's.

Applicant agrees and understands that the program may be discontinued and/or rebate dollar amounts may be changed due to the actions of the Town of Billerica or the exhaustion of program funding, at any time without further notification to customers possessing outstanding applications.

Applicant agrees and understands that Billerica Water Division or its representatives reserve the right to inspect the installation of the fixture before or after the rebate credit is applied to the applicant's water bill.

An original unaltered dated sales receipt, listing the make and model numbers, MUST accompany this application.

Applicant understands that Billerica Water Division may withhold rebate until any or all of the above listed conditions are met.

Applicant is responsible for verifying that the replacement unit is on the qualified fixture list which can be found at the Billerica Water Billing Office, the Billerica Water Treatment Facility, or www.billericadpw.org.

Applicant understands that the rebate will be processed thru the Town of Billerica as a reimbursement check.

Make sure you purchase the exact make and model# indicated on the list.

I have read, understand, and agree to the terms and conditions of this rebate program.
