

DEPARTMENT OF
PUBLIC WORKS

Project: Eliot Street Noise Barrier Wall
MassHighway Route 3 Project
Contact Person: Kelley Conway, Engineering Division

As part of the Route 3 Reconstruction Project and in conjunction with MassHighway, work on the Eliot Street Noise Barrier Wall is complete. The noise wall extends north and south of the Manning Road Bridge just east of Route 3 northbound.

The contractor, R. Zoppo Corporation, has completed the construction of the panels and punch list items for the project.

Southern Section of Noise Barrier Wall

Northern Section of Noise Barrier Wall
