

DEPARTMENT OF
PUBLIC WORKS

Project: Sewer Contract 33B
Connolly Road & Farm Street Neighborhood Betterment
Contact Person: Kelley Conway, Engineering Division

Albanese D & S, Inc. was awarded this contract and began construction in March of 2006. The work for this project included the extension of a sewer system, and all work incidental thereto, on Farm Street, Branch Street, Branch to Connolly Road Easement, Connolly Road, Olney Street, Green Street, Forest Street, Glade Street, and Greenleaf Street.

The sewer betterment has been completed. Residents have been notified and are in the process of connecting to the municipal sewer system.
